SUBMISSION OF CORRECTED APPLICATION PAPERS

Commissioner for Patents,
Washington, D. C. 20231

Sir:

The enclosed "Notice To File Corrected Application Papers" was mailed from the Patent and Trademark Office on March 5, 2001 with respect to the above identified patent application.

The instant notice objected to the width of the margins on the informal drawing that was filed with the application.

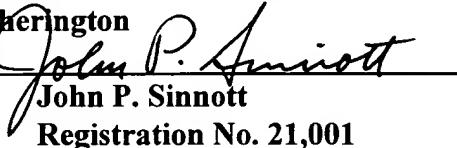

Submitted herewith is a formal drawing to be substituted for the informal drawing on file in this case. Applicants urge that this formal drawing now meets all Patent and Trademark Office standards, including the margin requirements.

Applicants further state that no new matter has been added to this application through the formal drawing, submitted herewith.
